

THE DANBY GROUP

Exclusive to Danby Customers....\$500 - \$1000 Rebate

Webscan Old Verifier Round-Up!

For a limited time, Webscan and The Danby Group are offering a trade-in program for purchases of new Webscan TruCheck verifiers.

Here's how it works:

Purchase a new Webscan verifier unit from Danby at the quoted price.

Notify your Danby sales representative with the model of the old unit to be traded to assure its eligibility – unit must "power up."

Then, ship the old unit back to Webscan directly to this address by March 31, 2012:

Webscan, Inc.

Webscan/Danby Trade-in Program

1254 Sherman Drive

Unit 1

Longmont, CO 80501

When Webscan receives and certifies return of the verifier, Webscan sends a trade-in check directly to the customer.

Promo Duration: Purchases qualify via purchase order/credit card from November 20, 2011 through February 29, 2012. All returned verifiers must arrive at Webscan headquarters by March 31, 2012 to qualify.

What's Eligible for Trade-in:

1D Verifiers - \$500 Rebate

- Webscan
- PSC
- Hand-Held Products (HHP)
- Honeywell
- RJS
- Axicon
- Stratix

2D Verifiers - \$1000 Rebate

- Webscan
- LVS
- Cognex
- Siemens
- Microscan

Other makes/models may be eligible – call to inquire!!

Whether your industry is automotive, defense, aerospace, printing, medical device or pharmaceutical, the risks are high when ID marks don't scan or grade to benchmark. Make sure you're covered with an investment that will pay you back in a big way with reduced fines, chargebacks and trade-in VALUE!

Please call us at the number below if you have any questions about Webscan products or the Trade-in Program. For all your automatic identification and data capture (AIDC) needs - software, hardware and labeling supplies - you can trust the experts at The Danby Group. **Celebrating our 30th anniversary in the AIDC!**
